

## KOMBUCHA FOR TEA LOVERS

When it comes to great taste, less is more. Unlike many brands that add extra sugar, flavorings, or juices post-fermentation, we stay true to the traditional roots of Kombucha-making. That's why Camellia Grove Kombucha is brewed with three simple, organic ingredients: tea, cane sugar, and live cultures. That's it!

This results in a clean, authentic Kombucha taste that's balanced with a pure tea flavor. So, if you're a tea lover or someone looking for a more pure Kombucha experience without added frills, this might be the perfect drink for you!

**TARGET MSRP: \$3.99**

12 (12 fl oz.) units per case | 11.25" x 8.125" x 5" | 10.31 lbs
